MRS. ODLE - WE LOVE YOU!

When you left
We all were sad
And now you're back
We all are glad.
And I guess it's cause
You've been so sweet
That makes you a lady
Who can't be beat.

YES, MRS. ODLE - WE LOVE YOU

Your ever-present smile cheers even the saddest of souls. You never forget to say "Good morning!" A familiar face is always pleasant to come to--especially if it's yours.

Jordon-
What a pleasure
it has been
to have you
in class!

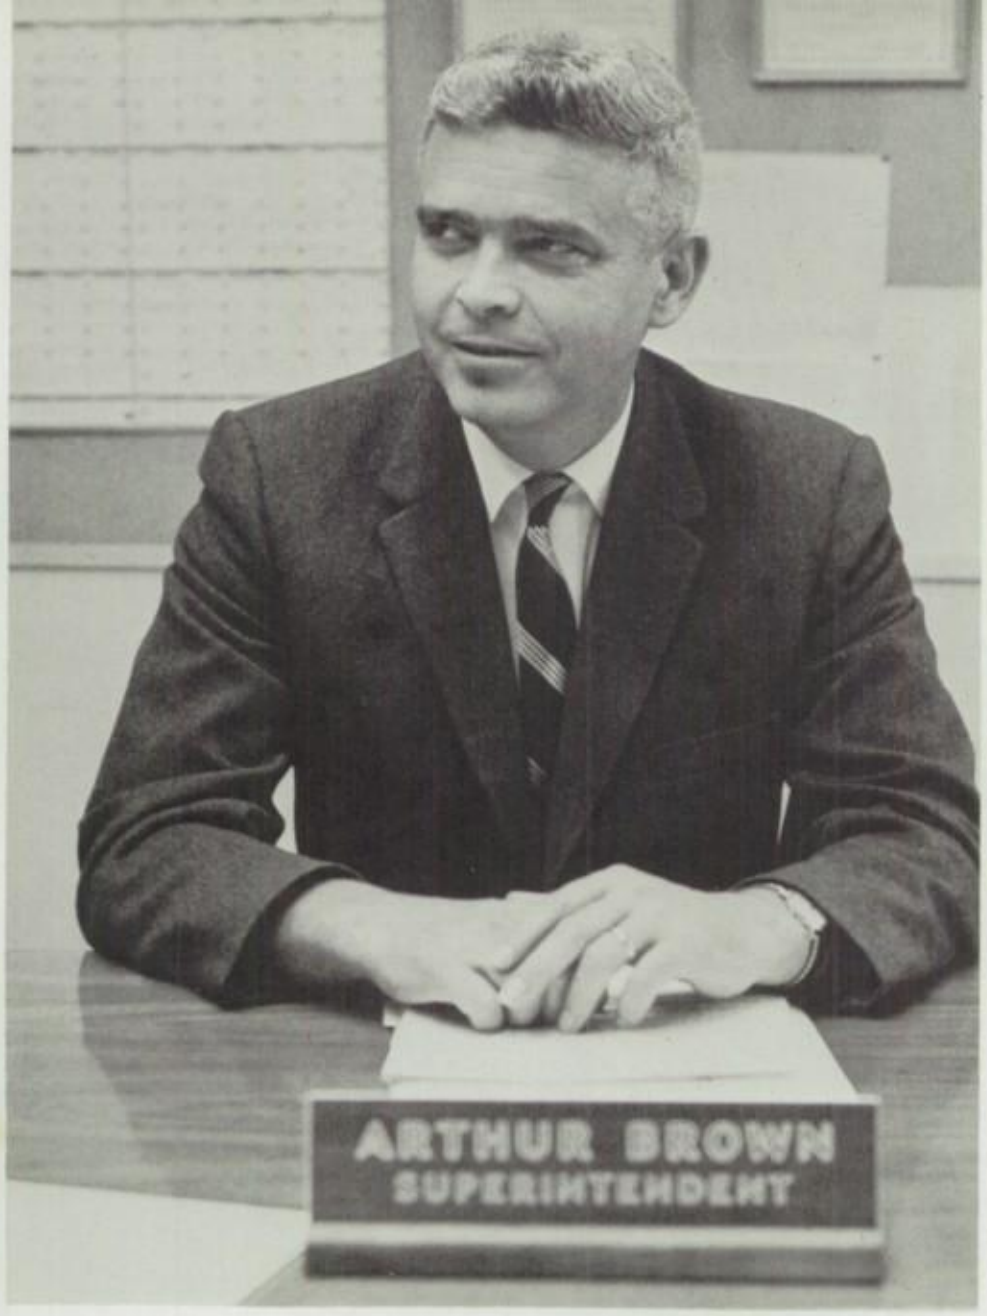
ADMINISTRATION

The administrators here at Blaine are a bunch of great people who spend their time aiding the students and school. They work for and with the students, offering their services and advice willingly.

Although there were many interruptions and unusual circumstances arising during the year, the staffs duties were carried out, as usual. Under Superintendent Dr. Brown and Principal Reginald Campin's guidance, Blaine's administrators did a fine job in making Blaine High the best school possible.

LIBRARY



Blaine

Dr. Brown, as Superintendent, supervised the operations of the Blaine School District.

The School Board helped to govern many of the decisions of the school. Offering their judgement, they insure that Blaine Schools will be able to offer the best possible education to its students.

Mr. Campin, Mr. Murphy, and Mr. Nunamaker led the faculty in their respective areas to achieve their goals of educational excellence.

STUDENT GOVERNMENT

A meeting in the library . . . an idea is formed . . . discusison . . . vote: a student government . . . the students decide . . . vote at the polls . . . measure is passed.

These pieces fit together to make a democracy.

Signing a petition, writing out a check, keeping a scrapbook. The student government is more than a law-making body. It comes from the students to work for and with them, It is representative of our succeses and failures.

By the way, does anyone know if the apple machine is working?

FEB

Student Government

President Scott Dohner

Our student government gives the students of Blaine High the opportunity to become involved in the democratic process. It begins with an idea ... then discussion ... vote ... action. Our council represents our successes and failures -- not only as a law making body but also as one concerned with the students to work for and with them.

CLASSES

Bell rings, class is in session . . . papers rustle, pens click . . . lecture begins. Ordinary things that happen every day, yet they mark the continuation of a long process---that of gaining an education.

Students of Blaine High can find classes to fit any and all future plans. For the college-bound students, such courses as language, science, math, journalism, music, and art help him prepare for competition on a higher academic and social plane. The student who will terminate his academic career with high school can prepare to meet the challenge of the working world such courses as auto-, metal-, plastics-, and wood-shops, agriculture, electronics, home economics, and business courses.

Senior Officers

Harvey Ives, Toni Stappler, Bob Benjamin, Linda Morberg, Steve Walser, JoAnn Simonarson, Dan DeMent, Wayne Breidford.

It's been a long three years, but we've made it. At last we can look back and remember all the good times we've had at Blaine.

Our sophomore year was filled with fun, class and school spirit. Our first real class project was the bonfire competition in which we won all prizes, hands down. Trish Bonallo represented our class as second princess in the Homecoming Court.

We were led by President, Randy Sanders; Vice President, Dave Thompson; Secretary, Toni Stappler; Treasurer Linda Morberg and Sergeants-at-Arms, Dan DeMent and Mike Morberg. Toni Stappler and Scott Dohner represented our class in student council.

Leading our class through its junior year was President, Bob Wade; Vice President, Terry Simpson; Secretary, Trish Bonallo; Treasurer, JoAnne Day, and Sergeant-at-Arms, Sandi Braddon and Steve Walser. Representing our class in student council was June Auld and Scott Dohner. Also representing our class was Sheryl Green as Asst. Treasurer of the ASB, June Auld as correspondent for the Bellingham Herald, Mike Elliott served as Asst. editor to annual, JoAnn Simonarson as Asst. editor to the Flashes and Sheryl Green and Dar Hollinger as Girls' State representatives. We started out the year with a "Psychedelic" dance which featured the Crystal Tricycle. Our prom entitled "Garden of Evening" was held at the Forest Grove Ballroom. Reigning over our prom was Darlene Hollinger, Queen, and Scott Dohner, King.

Having lead parts in our junior play were Gary Ham and June Auld. It was entitled, "Take me to your President" and had a large cast, so most of the class took part.

Finally, we reach our senior year. Through the years we have participated in many activities, but there was more participation in our senior year than any other. We elected Steve Walser as President, Vice President, Bob Benjamin; Secretary, Linda Morberg; Treasurer, JoAnne Simonarson; Sergeant-at-Arms, Dan DeMent and Tim Randell. We were represented in student council by Wayne Breidford and Harvey Ives.

The class sponsored an Italian and American food dinner.

Our senior play, entitled, "Drums of Death" was a great success, combining the moods of mystery and comedy.

Someone could quite truthfully say all these are but memories-but they are memories of the beautiful years--the memories to cherish.

ACTIVITIES

School spirit is not only the will to win and make a school the best at football and basketball games. It is also the will to make a name for the school and the district for our cooperation with one another, our will to win, our respect for the school, and our wholehearted enthusiasm in school activities, classes, and in the community. It is these elements that will let others know that we have SCHOOL SPIRIT.

ORGANIZATIONS

Organizations form a large part of the interest at Blaine High School. The various groups--classes, clubs, athletics--play an important role in developing the well-rounded student, and in teaching him to get along with others in the working world.

The administration and students work together to form a constructive and worthwhile program for the student to become actively involved in.

Under the leadership of editor, Bob Benjamin, and assistant editor Terri Freeman, the 1968-1969 "Borderite Flashes" were published every two weeks. Having a larger journalism class than most years, the staff was able to come up with some good ideas and put out an interesting paper. The entire class was responsible for writing all the stories, as well as printing up the pages.

The school correspondent was Sheryl Green who wrote and sent the "Borderite" columns to the Blaine Journal and the Bellingham Herald.

The Blaine Booster Club consists of girls in grades 9-12. The main purpose of the club is to support the teams of Blaine High and promote school spirit.

These girls, together with the cheer and song leaders, encourage and give our boys the spirit of which makes a team.

This year there included two alternates: a cheer alternate and song alternate to take the place of one of the cheer or song leaders if they were unable to attend the game.

The Blaine Borderites with the help of 13 senior lettermen, charged through a very successful football season with a record of 7 wins and 2 losses.

The Borderites opened the season with a heartbreaking loss to Nooksack Valley Pioneers 6-0. But the Borderite spirit could not be broken, as they came back the following week with a smashing victory over Mt. Baker 27-12. The top scoring game of the season was with Tolt, when the Borderites crushed them 39-7. The second loss came the following week when Monroe in a hard fought battle, came up on top 14-7. The Borderites won their next five games against Meridian, Lynden, Lynden Christian, Stanwood, and ended the season with a 20-0 victory over Concrete.

Blaine won a second place in the Whatcom county league and a third in the Northwest district league.

Records like these give us great pride in our team and our school. "Thank you" players and coaches for such an outstanding year.

Walk--don't run--to your next class! Soon your Junior High School days will come to an end. You'll look back at the carefree days filled with funloving experiences, test cramming, first love, dances, and your ever studious classes. The ideas which will become your own through self discovery, study, and your relationships with others will set a signpost for the years ahead. The Junior High School years are not an ending but a beginning, a challange to the future.

Junior High A.S.B.

Executive Council

The Junior High Student Council is made up of the Executive Council and representatives from the seventh, eighth, and ninth grades. The Executive Council president is Mike Gorze; vice president, Scott Nunamaker; secretary, Kristy Neilson; treasurer, Paul Southland.

The Executive Council consists of the A.S.B. officers that are chosen in the spring by the Junior High A.S.B. The representatives are selected by the individual classes they represent.

AROUND AND ABOUT

What's new in creation?

These hard turnouts

A dabble here - a dabble there

And we return to those days . . .

And the game goes on

They give it a try

As Editor of the 1969 Borderite, I would like to thank our advisor, Mr. Simonson, for all the help and guidance he gave us in the production of the yearbook.

I would like to extend special thanks to the following people who helped to make this year's annual possible: Patti Barber and Dana Danielson who worked by my side; John Ellis for help in photography; and all those who helped by writing and typing write-ups. Also thanks to Mr. Floyd Wear, the photographer, and the Wallace Pischel Yearbook Company for their many suggestions and guides, and finally to the Blaine merchants who supported the annual by buying ads.

1969 Borderite Editor

Micaela Elliott
